**MOTION FOR PROTECTIVE TREATMENT AND
BASIS FOR FILING EXHIBIT 4 AS TRADE SECRET**

Applewood Communications Corporation ("Applewood" or "Applicant"), by counsel, and pursuant to S.C. Code Ann. § 39-8-10, *et seq.*, S.C. Code Ann. Regs. 103-804(Y)(2), hereby files this Motion for Protective Treatment ("Motion") in the above-captioned proceeding. By this Motion, Applewood seeks protective treatment by the South Carolina Public Service Commission ("Commission") of certain commercially-sensitive financial information attached as **Exhibit 4**, filed as Trade Secret to Applewood's Application for Authority to Provide Competitive Interexchange Telecommunications Services.

Because this Motion is an inseparable part of Applewood's Application, it is being filed concurrently therewith.

In support of this Motion, Applicant provides the following:

In support of its application, Applewood respectfully submits as follows:

1. The legal name, address, telephone and fax number of the Applicant are:

I. Description of Confidential Information

The Application requires Applicant to disclose evidence of its financial ability to provide service by submitting documentation of its financial resources. Pursuant to this requirement, Applewood is submitting copies of its audited financial statements. These documents contain highly confidential and strictly proprietary information, the public disclosure of which would result in direct, immediate and substantial harm to Applewood's competitive position in South Carolina and in other states where Applewood is currently doing business.

II. Grounds for Claim of Confidentiality

The financial information submitted by Applewood in **Exhibit 4** of its Application fits squarely within the definition of a "trade secret" under the South Carolina Trade Secrets Act.¹ As a privately-held company, Applewood's financial qualifications are not readily ascertainable.

¹ A "trade secret" is defined in S.C. Code § 39-8-20(5)(a) as information that "(i) derives independent economic value, actual or potential, from not being generally known to, and not being readily ascertainable by proper means by the public...and (ii) is the subject of efforts that are reasonable under the circumstances to maintain its secrecy."

Applewood currently has no legal obligation to prepare or submit projected financial statements, or to report any financial information to a public entity. Further, the unavailability of this information derives independent economic value for Applewood because the disclosure of such information would jeopardize Applewood's relationship with its investors and harm

Applewood's ability to compete in the provision of advanced telecommunications services in South Carolina. Applewood is not a public corporation and its financial and business information is uniquely sensitive.

Applewood takes considerable efforts to maintain the secrecy of the information contained in its financial statements. Financial information of this type is not publicly disseminated, and Applewood takes reasonable steps to guard this information internally as well. Its disclosure is limited to Applewood's senior officers, Applewood's counsel and employees of the company who are directly involved with Applewood's financial operations. Furthermore, when required to submit financial information to public authorities, all such information is clearly stamped "confidential" and is accompanied by formal requests to maintain the confidentiality of the information and to withhold it from public disclosure.

Applewood clarifies that its request for protection applies only to the financial information contained in **Exhibit 4** to the Application. Applewood is not seeking protection of any type by means of this Motion for those reports Applewood will be required to file with the Office of Regulatory Staff ("ORS") should the relief sought in the Application be granted: the Annual Report Form, Gross Receipts Report, or the Universal Service Fund Worksheet.

III. Conclusion

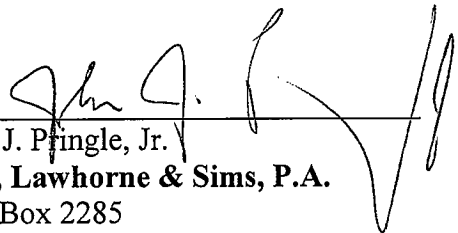

The audited financial information included in support of Applewood's Application, for which confidential treatment is requested, is both proprietary and competitively sensitive. Applewood would suffer substantial direct harm if such information is made publicly available.

The harm that would result from public disclosure of Applewood's financial information is real and not speculative. Moreover, to date, no other jurisdiction has required Applewood to make its financial information publicly available. For the foregoing reasons, the financial information included in **Exhibit 4** should be protected from public disclosure by the Commission.

WHEREFORE, Applewood respectfully requests that the information contained in **Exhibit 4** of Applewood's Application for a Certificate of Public Convenience and Necessity be ruled exempt from public disclosure and provided confidential treatment in accordance with S.C. Code Ann. § 39-8-10, *et seq.*

Respectfully submitted,

Applewood Communications Corporation
